

New Air Tools with Integrated Accessory Storage Provide Better Organization for Faster Fixes

HARRISON, OH (May 2008) - Have a tool but can't find the accessories to make it work? Campbell Hausfeld makes it easy to organize the workbench by introducing five pneumatic tools that feature a unique accessory case attachment. The case also allows each tool in the series to be stored upright and side by side on a shelf.

"The tool and related accessories are all in one place, so users can literally grab them and go," said David Shumate, Product Specialist – Consumer Compressors, Air Tools, and Spray Guns.

The first five models include:

- **½" Impact Wrench (TL0502):** Provides 250 foot-pounds of torque to remove and install lug nuts and bolts. Features an integrated power regulator, a push button forward/reverse switch for one-handed directional changes and soft comfort grip. Requires 5.1 SCFM at 90 PSI. Suggested retail price is \$24.99.
- **¾" Air Ratchet (TL0501):** Produces 50 foot-pounds of torque to remove stubborn fasteners. Features soft comfort grip. Requires 6.2 SCFM at 90 PSI. Suggested retail price is \$24.99.
- **1 5/8" Air Hammer (TL0503):** Delivers 5,000 blows per minute for cutting, chipping and scraping. Features an extended trigger for easy operation and a soft comfort grip. Requires 6.0 SCFM at 90 PSI. Suggested retail price is \$19.99.
- **Air Die Grinder (TL0520):** At 25,000 RPMs, the TL0520 is ideal for high-speed grinding, smoothing, polishing and deburring. Features an oversized hex nut for easy bit replacement using standard open-end wrenches and aluminum housing with soft comfort grip to protect against cold. Requires 6.2 SCFM at 90 PSI. Suggested retail price is \$19.99.
- **Cut-Off Tool (TL0535):** Provides 20,000 RPMs for the speed and power to quickly cut through one-inch diameter steel rods, fiberglass and copper/aluminum tubing as well as up to one-half inch of iron. Features aluminum housing with soft comfort grip to protect against cold. Requires 11.8 SCFM at 90 PSI. Suggested retail price is \$19.99.

The tools are available at Home Depot starting in July 2008. Customers can obtain purchasing information by calling 1-888-CHPOWER (1-888-247-6937) or by visiting www.chpower.com.

Founded in 1836 and headquartered in Harrison, Ohio, Campbell Hausfeld is a leading manufacturer and marketer of air compressors, air tools and accessories, inflators, paint sprayers, welders and pressure washers.
