Campbell Hausfeld Provides Four Kits for Finish Work and Assembly

Campbell Hausfeld offers four finishing tool kits to provide maximum versatility for home improvement projects such as installing cabinets, adding trim or molding, making crafts and assembling furniture.

Manufactured with lightweight aluminum housing and packed with special features such as adjustable exhaust, adjustable depth control, quick clear noses, comfort hand grips and non-marring tips, Campbell Hausfeld finish tools include:

1 ¼ inch brad nailer (model CHN101): Has a 100 nail capacity and drives 18-gauge nails from 3/8 inch to 1 ¼ inch in length. Packaged in a high-impact case with 1,000 1 ¼ inch brad nails, two Allen wrenches, nailer oil and a ¼ inch NPT industrial plug. Suggested retail price is \$49.99

2 inch brad nailer (model CHN102): Same as the 1 ¼ inch brad nailer except drives 18-gauge nails from 5/8 inch to 2 inch in length. Suggested retail price is \$59.99.

Narrow crown stapler (model CHN103): Has a 100 staple capacity and drives 18-gauge ¼ inch crown staples from ½ inch to 1 ¼ inch in length. Packaged in a high-impact case with 1,000 1 inch crown staples, two Allen wrenches, nailer oil and a ¼ inch NPT industrial plug. Suggested retail price is \$49.99.

2 ½ inch finish nailer (model CHN201): Has a 100 nail capacity and drives 16-gauge nails from 1 inch to 2 ½ inch in length. Packaged in a high-impact case with 1,000 2 ½ inch finish nails, two Allen wrenches, OSHA/ANSI-approved safety glasses, nailer oil and a ¼ inch NPT industrial plug. Suggested retail price is \$69.99.

All models are backed by a three-year limited warranty.

Founded in 1836 and based in Harrison, Ohio, the Campbell Hausfeld Air Products Division is a leading manufacturer and marketer of pneumatic and power tools, air compressors, inflation and tire safety products. More information can be found at www.chpower.com or by calling 1.888.CHPOWER (247-6937).
