Campbell Hausfeld Launches Ultimate Nailing Kit *A start-to-finish nailer package for home remodeling projects*

Campbell Hausfeld is packaging three of its most popular nailers together into one convenient Ultimate Nailing Kit.

"The Ultimate Nailing Kit provides home remodelers the nailers they need to complete framework to finish work—and the nailing projects in between," said Jesse Moore, Product Specialist, Job and Worksite Group.

The Ultimate Nailing Kit includes a 3 ½ inch 21 degree round head framing nailer, a 1 ¼ inch brad nailer and a 2 ½ inch finish nailer. All feature non-marring tips to protect wood surfaces. Individual nailer specifications are:

3 ½ inch 21 degree round head framing nailer: Has a 75 to 105 nail capacity and drives 0.113 inch diameter to 0.131 inch diameter nails from 2 inch to 3 ½ inch in length. Features adjustable exhaust and adjustable depth control to accommodate various types of wood. Packed in a high-impact case with a ¼ inch NPT quick connector, nailer oil and hex wrenches.

1 ¼ inch brad nailer: Has a 100 nail capacity and drives 18-gauge nails from 3/8 inch to 1 ¼ inch in length. Features a quick clear nose to reduce downtime. Comes with 1,000 1 ¼ inch brad nails and a ¼ inch NPT quick connector.

2 ½ inch angle finish nailer: Has a 100 nail capacity and drives 15-gauge nails from 1 inch to 2 ½ inch in length. Features adjustable exhaust, adjustable depth control to accommodate various types of wood and a quick clear nose to reduce downtime. Comes with 1,500 2 ½ inch finish nails and a ¼ inch NPT quick connector.
