## Campbell Hausfeld Debuts New Power Tool Collection

Campbell Hausfeld, recognized for its durable and dependable pneumatic tools and compressors, is applying its engineering and industry expertise to a new category—corded and cordless power tools.

“Our customers named power tools as the No. 1 category they’d like to see branded as Campbell Hausfeld,” said John Brown, Director of Marketing for the Campbell Hausfeld Home and Car Care Solutions Group.

“We’ve responded to the demand by launching a collection of the most popular tools with competitive features at an unmatched price point. Now customers don’t have to go outside of the Campbell Hausfeld brand to outfit their entire garage or workshop.”
