

## Campbell Hausfeld Launches Stylish New Digital Tire Gauges

Campbell Hausfeld brings a bit of color and a whole lot of style to the everyday task of checking air pressure by launching a new line of digital gauges inspired by today's active-lifestyle consumer.

"We wanted to create a line of tire gauges that are both practical to use and have unique features, while at the same time appeal to the eye, so we have modernized the design with bright colors, backlit screens and ergonomic grips," explained Tim Davis, Senior Product Manager for Campbell Hausfeld Tools & Accessories.

All gauges read pressure from 1-99 pounds per square inch (PSI) in .5 PSI increments for precise accuracy. Models include:

- **Key Chain Digital Tire Gauge (model AU1100)**

Features an easy-to-read LCD screen and conveniently doubles as a key chain. Suggested retail is \$5.99.

- **Sport Digital Tire Gauge (model AU1101)**

Includes an easy-to-read backlit LCD screen and a high-intensity LED flashlight. The ergonomic body features a rubber grip to improve handling. Suggested retail is \$10.99.

- **Professional Digital Tire Gauge (model AU1102)**

Features durable and lightweight zinc alloy housing, a backlit LCD screen and a tire tread depth gauge. Suggested retail is \$15.99.

In addition to the new digital gauges, Campbell Hausfeld manufactures a variety of products related to the ongoing maintenance, inflation and repair of tires: Pencil and dial gauges; 12-volt, 120-volt and cordless inflators; manual tire pumps; portable air carry tanks and tire repair products such as patch kits, plug kits, tools, cements and sealants.

Campbell Hausfeld's digital tire gauges and tire safety products are available at Wal-Mart and other leading automotive retailers.

Founded in 1836 and headquartered in Harrison, Ohio, Campbell Hausfeld is a leading manufacturer and marketer of air compressors, air tools and accessories, paint sprayers, welders and pressure washers.
